

Lishuang (Nikki) Huang, Au.D.

Audiologist

Nikki Huang, Au.D., joined San Jose Ear & Sinus Medical Center in 2015. Patient-centered service is her compassion; evidence based-practice is her principle. Nikki provides a full range of audiological services including conventional and diagnostic measures of auditory and balance/vestibular systems on both pediatric patients and adults. She also provides service to candidates and recipients of amplification devices, including conventional hearing aids and implantable device. Nikki has a special interest in cochlear implant and rehabilitation in profound deafness.
