## Summit ENT services:

We have been practicing in the Oakland community for nearly 30 years. Summit ENT physicians and staff strive to offer excellent professional medical care treating each patient with a personal touch. Our providers regularly treat the following:

- We offer full spectrum ear, nose, throat and neck diagnoses and treatment
- Perform Audiological services and dispense hearing aids in one location
- Allergy Testing and Treatment
- CT Scans of the sinuses and ultrasound of the thyroid and neck
- Perform ENT surgery in both office and hospital based facilities
- Balloon Sinuplasty
