CHAPTER

Inaugural Sports Cardiology & Exercise Symposium

Presented by Stanford University School of Medicine in collaboration with the California Chapter of the American College of Cardiology

Date: February 28th 2020 Time: 3:00 PM – 6:00 PM

Location: [Assembly Hall, Stanford Hospital](#) 500 Pasteur Drive

The Stanford Sports Cardiology symposium intends to provide a platform to health practitioners who provide cardiovascular care to athletes highly active people, including cardiologists, sports medicine physicians and advanced practice providers (NPs, CNS and PAs). We will discuss contemporary topics in Sports Cardiology and clinical exercise physiology. Stanford University School of Medicine – in partnership with the California Chapter of the American College of Cardiology - will deliver a 3 hour symposium on guideline—driven cardiovascular care for the athlete and highly active individuals

Keynote Speaker: Professor Antonio Pelliccia, Chief of Cardiology of the Institute of Sports Medicine and Science of the Italian National Olympic Committee.

For Registration [Click HERE](#) or Scan QR Code

After participating in this activity, participants should be able to:

1. Identify appropriate populations for pre-participation screening
2. Perform appropriate cardiac risk assessment, including the use of diagnostic studies in athletes and highly active individuals.
3. Debate the current and continuing controversies in sports cardiology, including pre-participation screening, management of arrhythmia differentiating athletes' heart from cardiomyopathy and returning to sport after cardiovascular surgery/intervention.

ACCREDITATION

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Stanford University School of Medicine designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for *AMA PRA Category 1 Credit*[™] (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Physician Assistants (PA) may claim a maximum of 3.25 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.
